

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

Scott Andrew Morrison,

Petitioner,

v.

Steven Acquisto,

Respondent.

No. 2:23-cv-00559-KJM-EFB

ORDER

This habeas corpus action was dismissed and the case closed in 2023 because the underlying state criminal case remained pending. *See* ECF F&Rs, ECF No. 6, *adopted in full*, ECF No. 8. On November 21, 2025, petitioner filed a motion in this action and in two other cases. *See* Mot., ECF No. 12 (citing Case Nos. 2:24-cv-00631-DMC and 2:25-cv-2723-DJC-CKD). Although the purpose of petitioner's motion is unclear, he appears to request the waiver of the filing fee associated with the civil action in Case No. 2:25-cv-2723-DJC-CKD. To the extent petitioner intended his motion to apply to this closed habeas corpus action, it is **denied**. The Clerk's Office is instructed not to accept any further documents for filing in this case.

IT IS SO ORDERED.

DATED: December 5, 2025.
